Step 1 : Go to URL : <https://whitebooks.in>.

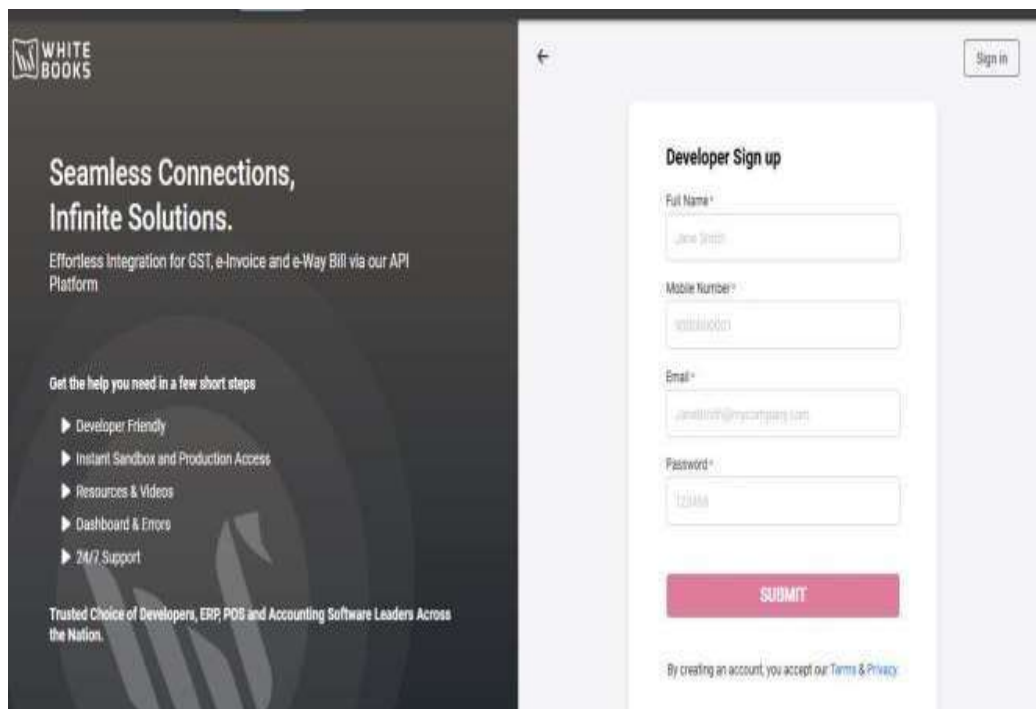

Step 2 : Click on the “**Sign Up**” button on the home page, located in the top right corner. (Refer to the screen below for reference.)

Step 3: For API developers, please select the **Developers** icon and enter your details to create an account.

Step 4: Please enter the required details to create an API login

The screenshot shows the White Books Developer Sign up page. On the left, a dark sidebar contains the White Books logo, the tagline "Seamless Connections, Infinite Solutions.", a description of the API platform, a list of benefits, and a statement about being a trusted choice. On the right, a light gray panel contains the "Developer Sign up" form with fields for Full Name, Mobile Number, Email, and Password, a "SIGN UP" button, and a link to Terms & Privacy.

SIGN UP

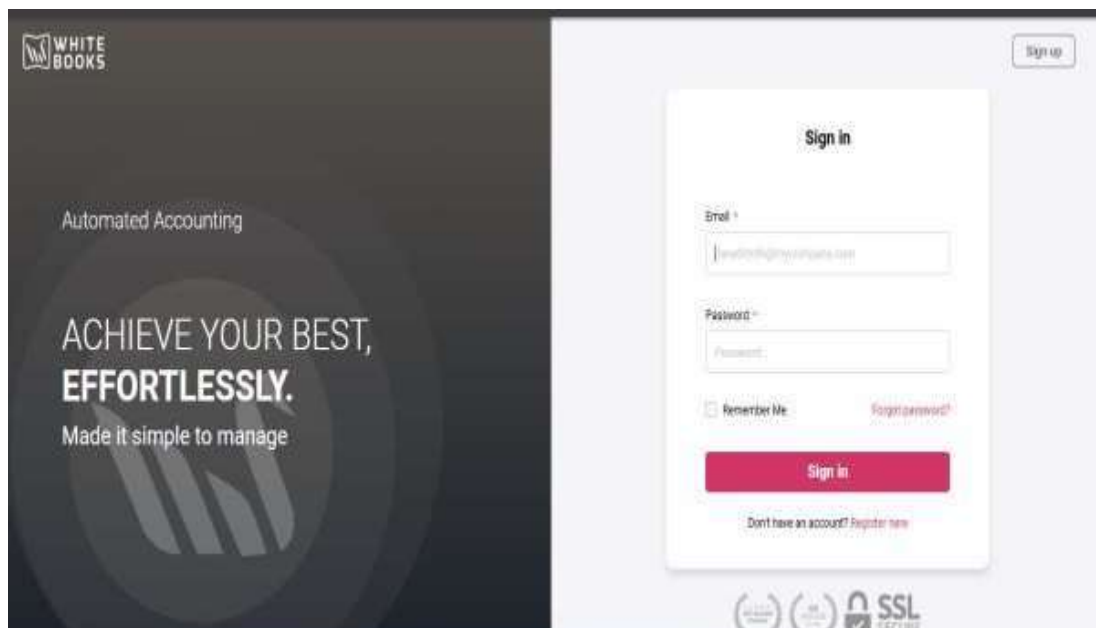

By creating an account you accept our [Terms & Privacy](#)

Step 5: Verify your identity by entering the OTP sent to your registered mobile number or email id

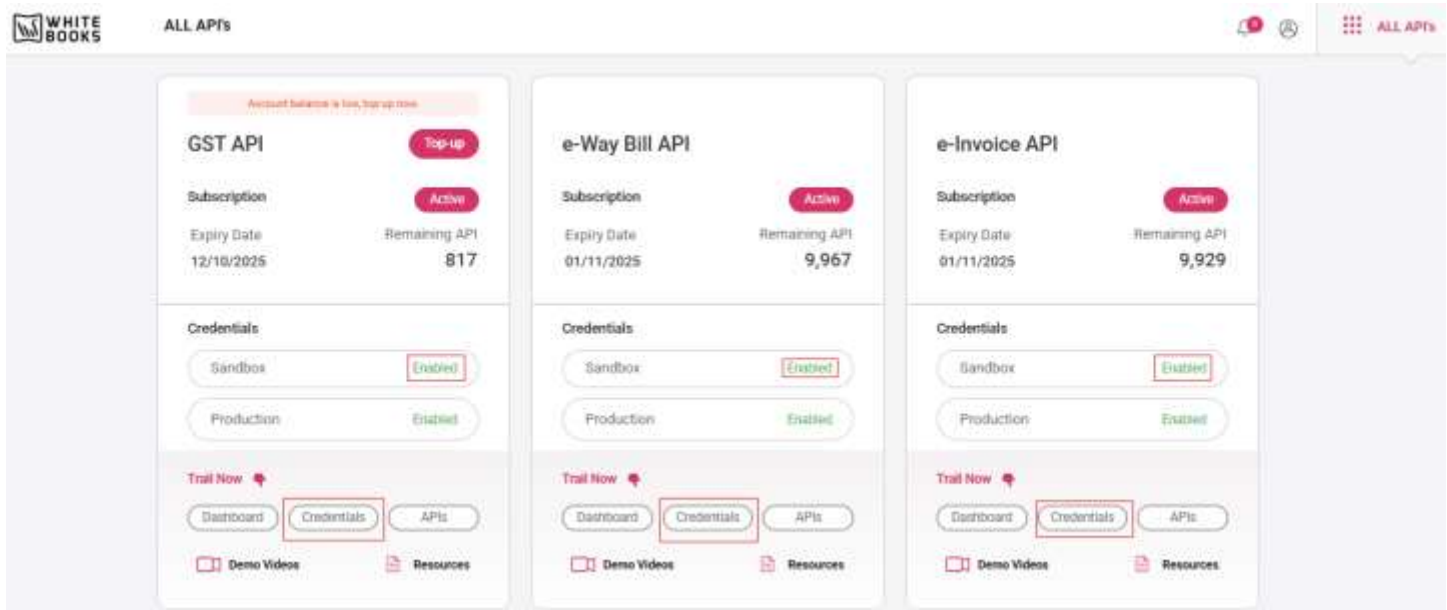

Step 6: Upon successful registration, an email will be sent to your registered email address containing the password

Step 7: Enter your registered email ID and password to log in to the WhiteBooks website.

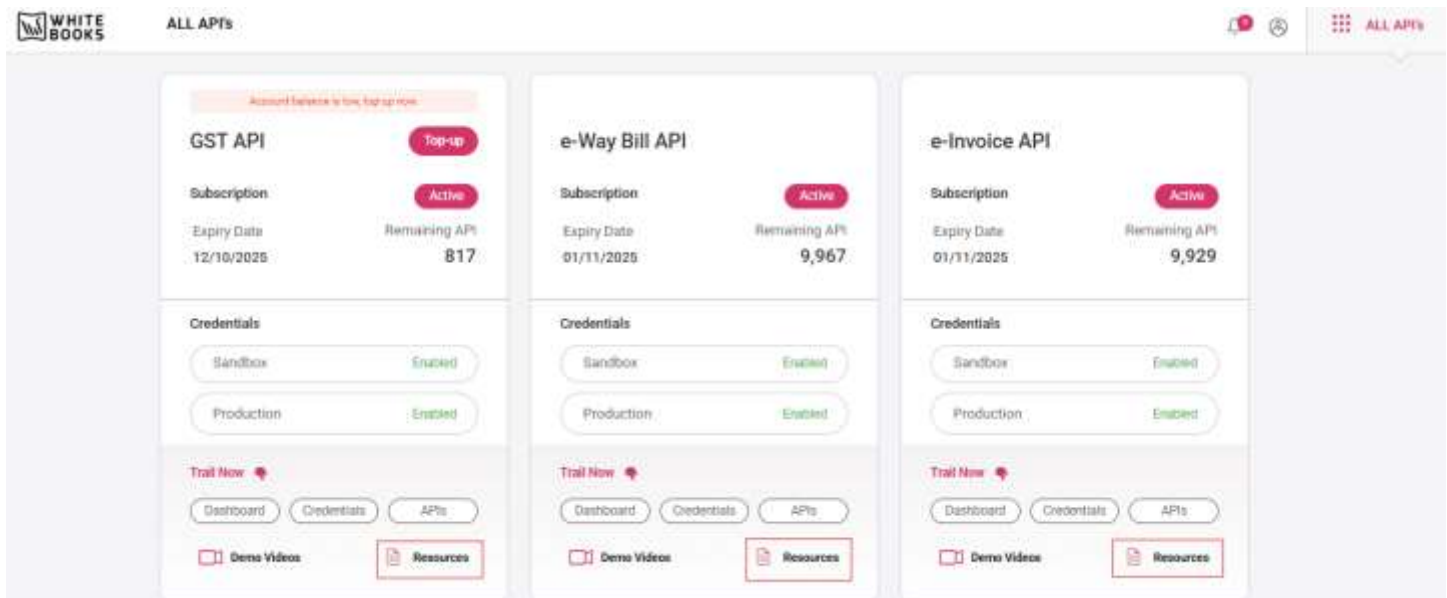

Step 8: After creating your login, your sandbox credentials for GST, e-Way Bill, and e-Invoice will be automatically enabled. Click on **Credentials** to obtain your Client ID, Client Secret ID, Username and Password for testing.

The screenshot shows the White Books dashboard with three API cards: GST API, e-Way Bill API, and e-Invoice API. Each card displays subscription status (Active), expiry date, and remaining API calls. The 'Credentials' tab is highlighted for each API, showing 'Sandbox' and 'Production' environments, both marked as 'Enabled'. The 'Trail Now' section at the bottom of each card has 'Credentials' highlighted.

API	Subscription	Expiry Date	Remaining API	Sandbox Status	Production Status
GST API	Active	12/10/2025	817	Enabled	Enabled
e-Way Bill API	Active	01/11/2025	9,967	Enabled	Enabled
e-Invoice API	Active	01/11/2025	9,929	Enabled	Enabled

Step 9 : You can download DLL files and postman collection from Resources.

The screenshot shows the White Books dashboard with three API cards: GST API, e-Way Bill API, and e-Invoice API. Each card displays subscription status (Active), expiry date, and remaining API calls. The 'Resources' tab is highlighted for each API, showing 'Sandbox' and 'Production' environments, both marked as 'Enabled'. The 'Trail Now' section at the bottom of each card has 'Resources' highlighted.

API	Subscription	Expiry Date	Remaining API	Sandbox Status	Production Status
GST API	Active	12/10/2025	817	Enabled	Enabled
e-Way Bill API	Active	01/11/2025	9,967	Enabled	Enabled
e-Invoice API	Active	01/11/2025	9,929	Enabled	Enabled
